

Meghalaya Buckwheat Global Showcase 2022

About hundred numbers of potential buckwheat farmers led by KVK West Khasi Hills team had participated at the Meghalaya Buckwheat Global Showcase 2020 organised by the Meghalaya Farmers' (Empowerment) Commission on 9th & 10th September, 2022 at IHM, Shillong Mawdiangdiang. The objective of these two days programme is to create awareness about buckwheat, its cultivation practices and marketing potential. With this programme, the farmers were enlightened about the cultivation of buckwheat at the local climate situations added with technical knowhow of processing upto marketing of the crop.
